## Your Plans

During the next Life Group cycle, you have the option to sign up again with your current leaders, sign up with different leaders (in September or January), or take a break from Life Groups. The following questions may help you process through that decision in more detail.

Did your group meet your expectations of balance between:

- life experiences and Biblical truth?
- care and discipleship?
- kindness and confrontation?
- service and personal growth?

Are you satisfied with the level at which your group practiced the following:

- Bearing one another's burdens in a real and practical way?
- Forgiving one another and confessing your sins to one another?
- Praying for each other on a regular basis?

**For the next Life Group cycle, I am planning to:**

- **Sign up with the same leaders**\_\_\_\_\_
- **Sign up with a different leaders**\_\_\_\_\_
- **Take a break from Life Groups**\_\_\_\_\_
