## VIII. Statement of Faith - We believe:

About God: in the personal existence of the God the Creator who is infinite and perfect and has chosen to reveal Himself to mankind through creation, His Son, His Spirit, and His Word.

About Jesus Christ: that Jesus Christ is fully God and became fully human through the miraculous process of the virgin birth.

About the Holy Spirit: that the Holy Spirit is fully God.

About the Bible: that the Holy Bible is the inspired Word of God and without error as originally written.

About Human Beings and Sin: that human beings were created in the image of God and are designed to have a personal relationship with the Creator.

About Salvation: that salvation is made possible only by the life, death and resurrection of Jesus Christ, that it is available to all, and that it must be personally received.

About the Coming Age and Eternal State: that Jesus Christ will physically return to raise the dead, judge all people, and consummate His Kingdom.
