Student Expectations At Common Ground

Policy	Consequences
<p>I am expected to give my complete attention to whoever is addressing me, not causing a distraction that would keep me or someone else from hearing what is being said.</p> <p>I am expected to treat all property where I am involved as I would treat my own property. Treatment of property would also include equipment which I am allowed to use. I will follow all stated rules that govern the facility and equipment at South Ridge Community Church and any other location where I may be participating.</p> <p>I am expected to build up rather than tear down others in the youth group with the words I use. I should treat others the same way I would want others to treat me. If I can't say something good about someone, I will not say anything.</p> <p>I am expected to refrain from any physical contact with the opposite sex while participating in activities with the youth group. This will keep me from drawing special attention to myself and another person or distracting us from what we are here for.</p> <p>I am expected to honor all laws that govern our state. Therefore, alcohol, drugs, smoking, and fireworks are some examples of things that I am not allowed to do while participating in activities with the youth group.</p> <p>I understand that in order to protect myself from potential legal problems, I will not transport other students in my car when leaving the church parking lot to attend a youth activity. However, I understand that as long as I'm only driving myself or all passengers have written permission from their parents or guardian to ride with me, I will be allowed to do so.</p>	<ol style="list-style-type: none"> 1. The first time a violation occurs, a reminder of the policy and the consequences will be given.
