A Note From Mat:

Greetings Student Ministry Families!

I can't believe that Christmas is in ONE WEEK!! I love everything about this time of year! My only complaint is that it comes and goes WAY too FAST. That is my reminder to enjoy the Season. Let's not get so crazy busy that we miss the FUN and JOY of Christmas time.

As we begin a new calendar year, I also wanted to remind you of our Student Ministry here at South Ridge and to encourage ALL of you to take full advantage of our leaders and programs, using them as a tool in helping your students know and follow Christ more closely.

That is why we are here ... to be used. We are not a perfect tool. In fact we have many dents and flaws, but we do try our best, in our pursuit of obedience to Christ, to maintain our goal of creating the best Student Ministry that we possibly can. Great thought and prayer go into each program and event with the hope that students will get connected into solid Christ -like friendships and have their eyes widened to the thrill of following Christ. Our programs strive to be relevant and fun, and we want our teaching and conversations to be life changing and Kingdom building. My goal, in this short note is to remind you that we, in the Youth Ministry, desire to do our best to honor Christ, support you and your family, and nudge people closer in their walk with God.

Let us **serve** you and your family

Let us **know** if you have any concerns

Let us know how we can **pray** for you ... and please pray for us

Remind your students that we are here and that we need their helping reaching Hunterdon County for Christ.

Have an awesome month and don't forget to keep the CHRIST in Christmas!

God Bless,
Mat
